

Information about a Resident

Project name:

Initiator of the project	
Name of the company	
Address	
Telephone number	
E-mail	
Coordinators (Name and position)	
Type of ownership	
Information about the project:	
Type of production	
Transportation (Road/ship/railway/air transport)	
Expected amount of industrial production	
Performed R&D works	
Estimated investment amount	
Estimated yearly turnover	
Amount of exports	
Pay-off(recoupment) period	
Time of project implementation	
Codes of OKVED (Russian National Classifier of Economic Activities)	
Expected number of employees/jobs to be created	
Amount of foreign specialists	
Necessary specialists with definition of their specialization	
Average salary	
Employment benefits	
Local Partner	

Foreign partner	
Necessary area of the land plot	
Preferred type of ownership for the land plot	
Additional information	
Infrastructure	
Average power requirement (estimated for different periods of building)	
Dimensions of the main building	
Necessary auxiliary buildings (warehouses, etc.)	
Average water consumption by date & quantity(m ³ /month) – fresh water/industrial water	
Sewerage (m ³ /day)	
Gas requirements for production needs (ncm/year)	
Air supply with parameters of humidity and temperature	
Heated area of the main/auxiliary buildings in m ²	
Steam requirement (pressure, temperature)	
Hazard category (danger class)	
Fire danger rating
